Dear students,

Hello everyone! Last year, you all voted to change the way your union is structured for 2017-18 so that we could best support and respond to the needs of the remaining students. The newly elected co-presidents will be primarily focused on ensuring student representation at college meetings and, more relevantly to you, student academic misconduct, appeals, and complaint committees. These new positions operate primarily from outside the college, although there will be several opportunities in the year to see us in person at our HSU drop-in sessions (more information about these soon!)

Your first port of call for any concerns, advice, or clarity regarding issues concerning academic progress should go to Henry at h.edwards-xu@heythrop.ac.uk, and he'll aim to respond within three working days. If, however, he is unavailable or if you would prefer to discuss your concern with Matthew, then please email your second co-president at m.holland@heythrop.ac.uk. For all general queries and/or feedback, you can reach us both at hsupresident@heythrop.ac.uk. Between us, we'll endeavour to resolve any issues you may have with your student experience here at Heythrop College.

From 31st July 2017 the Co-Presidents will be the points of contact for the Students' Union and the HSU Advice Centre will open for a limited amount of time. But if you would like to talk to one or both of us face to face outside of our pre-scheduled times, then please do feel free to drop us an email and we'll do our best to come in to meet you.

Check back at www.heythroptsu.co.uk to stay up to date on what we're doing to help you out, and be the first to know about any events going on in 2017-18!

All the best,

Henry Edwards-Xu

Matthew Holland
